3-Pin Bulkhead Connector for UWL-400 & UWL-401 LED Lights

Compatibility:

Designed for seamless integration with UWL-401 and UWL-400 underwater lights.

Waterproof:

IP68-rated, providing full protection against dust and the ability to withstand continuous submersion in water.

Durable Materials:

Constructed from corrosion-resistant materials, ensuring longevity even in harsh saltwater environments.

Simple Installation:

Quick, tool-free setup with secure twist-lock or snap-fit mechanism for fast connection.

Electrical Efficiency:

High-conductivity copper pins for low resistance and optimal power transfer.

Wide Temperature Range:

Operates effectively between -10°C to +60°C.

UV and Corrosion Protection:

Special coatings & materials provide excellent resistance to UV rays and marine corrosion.
