5 Pin Male Marsh Marine Connector

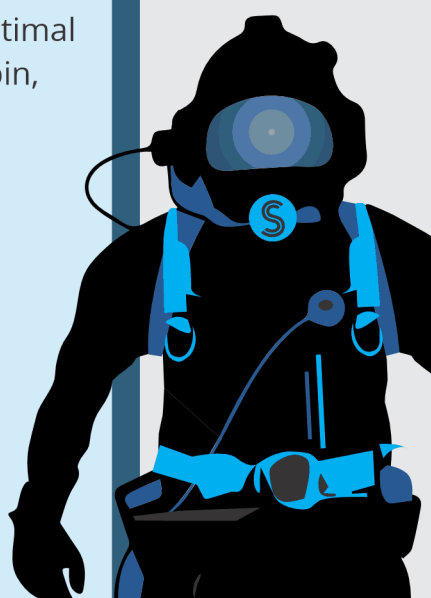

Product Code: RMK-5MP

Industry-standard connectors designed for underwater usages and a wide range of instrumentation.

These reliable and durable rubber-moulded (RM) connectors are fully compatible with most 'marsh marine' style connectors commonly used in the industry.

A simple application of silicone lubricant will maintain the connectors in optimal condition and facilitate easy connection and disconnection. Available in 2-pin, 3-pin, 4-pin, 5-pin male and female options to suit various applications.

| Technical Specifications | |
|--------------------------|-------------------------|
| Material: | Rubber Molded Neoprene |
| Contacts: | Brass, Hard Gold Plated |
| Voltage Range: | 600 Volts DC |
| Pressure Range: | Up to 20,000 PSI |
