### Connector Type:

Epoxy Bulkhead Connector designed specifically for Outland Tech cameras and other professional camera systems.

### Waterproof Rating:

IP68-rated, offering complete protection against dust and the ability to withstand submersion in water for extended periods.

### Durable Materials:

Epoxy resin-coated for excellent corrosion resistance and durability.

### Electrical Efficiency:

High-conductivity copper pins for stable and efficient power & signal transmission.

### Wide Temperature Range:

Functions in temperatures from -20°C to +60°C.

### UV and Corrosion Protection:

Ideal for use in marine cameras, security systems, industrial equipment, and recreational vehicles (Rvs).
